NOTICE IS HEREBY GIVEN

The State Board of Equalization, pursuant to the authority vested in it by section 15606(a) of the Government Code, proposes to amend Regulation 1699, Permits, in Title 18, Division 2, Chapter 4, of the California Code of Regulations, relating to sales and use tax. A public hearing on the proposed regulation will be held in Room 121, 450 N Street, Sacramento, at 1:30 p.m., or as soon thereafter as the matter may be heard, on May 30, 2001. INFORMATIVE DIGEST/POLICY STATEMENT OVERVIEW

Current law, Revenue and Taxation Code section 6066, provides that a retailer is liable for any unreported sales made by a concessionaire who operates on the premises of the retailer but fails to hold a seller's permit from the Board.

Regulation 1699, Permits, is proposed to be amended to interpret, implement and make specific Revenue and Taxation Code section 6066. The amendment is proposed to define the term "concessionaire" and to clarify instances under which a retailer is liable for tax deficiencies derived from unreported sales made by a concessionaire operating within the perimeter of a retail business, and to correct clerical errors.

COST TO LOCAL AGENCIES AND SCHOOL DISTRICTS

The State Board of Equalization has determined that the proposed amendment and regulation do not impose a mandate on local agencies or school districts. Further, the Board has determined that the amendment and regulation will result in no direct or indirect cost or savings to any State agency, any costs to local agencies or school districts that are required to be reimbursed under Part 7 (commencing with section 17500) of Division 4 of Title 2 of the Government Code or other non-discretionary costs or savings imposed on local agencies, or cost or savings in federal funding to the State of California.

EFFECT ON BUSINESS

Pursuant to Government Code section 11346.5(a)(8), the Board of Equalization made an initial determination that the adoption of the amendment to Regulation 1699 will have no significant statewide adverse economic impact directly effecting business.

The adoption of the proposed amendment to this regulation will neither create nor eliminate jobs in the State of California nor result in the elimination of existing businesses nor create or expand business in the State of California.

The amendment to the regulation as proposed will not be detrimental to California businesses in competing with businesses in other states.

The proposed regulation may affect small business.

COST IMPACT ON PRIVATE PERSON OR BUSINESS

The Board is not aware of any cost impacts that a representative private person or business would necessarily incur in reasonable compliance with the proposed action.

SIGNIFICANT EFFECT ON HOUSING COSTS
